

12 hours ago NAVDEX 2021: ADSB partners with Novamarine to manufacture rigid-hulled inflatable boats in GCC region

According to a press release published by ADSB, the regional leader in the new build, repair, maintenance, refit and conversion of naval and commercial vessels, today signed a reciprocal agreement with Novamarine, a global leader in the design and build of boats with unique features. The agreement mandates ADSB to design, manufacture and market co-branded Rigid-Hulled Inflatable Boats (RHIBs) in the UAE, while Novamarine handles the marketing of ADSB vessels in Europe.
